UX/CX Designer with 3+ years of experience designing user-centered digital products for Saudi Arabia's government and Public sectors. Skilled in user research, journey mapping, service blueprints, and UX auditing, translating complex stakeholder requirements into seamless, high-impact experiences. Proven track record collaborating with product managers, developers, and government stakeholders to deliver scalable, user-friendly platforms that align with business and institutional goals.

Experience

- CX/User Experience Designer - TAM - Riyadh, Saudi Arabia-Remote** *Jan2024-Present*
 - Conduct and plan user research through interviews, surveys, and usability testing to gather insights.
 - Translate PoC briefs into clear UX specifications(experience scope, assumptions, constraints) to align stakeholders and accelerate development.
 - Owned the design process ensuring every deliverable met product objectives and stakeholder requirements within scope and timeline.
 - Collaborate with product managers, developers, and stakeholders to deliver accessible, user-friendly experiences.
 - Build journey maps, personas, and user flows that guided design decisions and kept teams aligned with business goals throughout the product lifecycle.
 - Conducted structured UX audits of existing products, identify usability gaps, and deliver prioritized recommendations for improvement.
- User Experience Designer, Freelancer** *Mar2023- Mar2024*
 - Conducted user experience research, including field studies, interviews, and surveys.
 - Developed personas, task flows, and user journeys to ensure a positive user experience.
- UX Associate Instructor , Developer Career (Part-Time)** *Mar2023- Feb2024*
 - Mentor students on their design coursework while they undertake developed career courses
 - Providing detailed written feedback on student submissions
 - Reviewed wireframes, prototypes, and case studies using established rubrics, documenting actionable feedback that guided students through iterative design cycles
- Regional CX Ambassador - Customer Happiness , Tabby Fintech** *Jul2023-Jan2024*
 - Resolve customer issues end-to-end, improving response quality and contributing to high CSAT scores.
 - Handled end-to-end KYC processes and verification to ensure account validation and compliance.
 - Analyzed customer feedback to identify experience gaps and recommended optimizations to improve retention and satisfaction.
 - Collaborated cross-functionally with product and operations teams to implement CX improvements and maintain customer satisfaction standards.
- Account Manager - IDV Digital** *Feb2023-Jul2023*
 - Managed project timelines and prepared detailed status reports to ensure on-time delivery.
 - Conduct client meetings to gather requirements, close deals, and ensure delivery per contract.
 - Developed and maintained long-term client relationships through proactive communication.
 - Facilitated brainstorming sessions with team members to develop and align on project concepts.
